BUSINESS SERVICES
Providing support services to the whole organisation.

CORPORATE STRATEGY
Managing strategy, business and financial plans across the RNLI.

ENGINEERING AND ASSET MANAGEMENT
Providing and managing all of the lifeboats, equipment and operational real estate we need for our lifesaving service.

COMMUNITY LIFESAVING
The RNLI’s presence in the UK and Ireland communities – from rescue and prevention, to education and fundraising.

INTERNATIONAL
Raising the issue of global drowning and working with international partners to tackle the problem.

OPERATIONAL POLICY
Shaping, monitoring and developing the RNLI’s lifesaving and maritime policy and standards.

TRANSFORMATIONAL SUPPORT
Ensuring the RNLI is fit for the future.
