# Access sign: single panel order form

Please print out this step-by-step form to fill in.  
Complete a new form for each sign you wish to order.  
To use this form you must be familiar with *The RNLI's guide to slipway safety signs and symbols* and know which signs you want. Please give your sign manufacturer a copy of the Symbols directory, either print out a copy or email it.

1. What is the slipway name?

2. You are encouraged to have the RNLI Lifeboats Supporting safety signs logo displayed at the top of the sign. Should you wish to have an alternative logo displayed please note it here.

3. Is there a Unique Slipway Location Code for this sign?

Yes – insert code here.....  No

4. Enter up to four code reference numbers for the symbols that you require on the sign.

Remember the text appearing adjacent to each hazard symbol is preceded by the word 'Beware'.  
If you wish to revise the text next to a symbol, please state the text in the additional information box at the end of this order form.

5. If you have selected hazard symbol H.22 please provide the text you wish to appear adjacent to it.

6. To develop the map please follow the step-by-step instructions on pages 24–31 of the guide.  
Liaise with your chosen sign manufacturer regarding the best method to send this information.

# Access sign: single panel order form

Your order/ref no.
