Allergy Advice

If you are allergic or intolerant to any food, please let us know upon placing your order. Whilst we endeavour to avoid any cross contamination, when processing a specific allergen free order, our kitchen does not have a specific allergen free zone. Deep fried wheat and gluten dishes will use the same fryers in the kitchen as dishes not containing these ingredients – there may be a risk of cross contamination which could affect extremely sensitive sufferers. For more information about any of our dishes please ask a member of our team.

Most dishes can be adapted to a gluten free or nut free diet upon request.
