CALL 999/112

SCENARIO 1

You are walking back to your campsite with your friends on a coastal path you know really well. You have been coming on holiday here for many years with your family. Your friends want to take a route you have explored before but you want to try somewhere else. They refuse to go anywhere new. Do you ...

CALL 999/112

SCENARIO 1

A | Go along with the flow, everyone needs to accept that decisions won't always go the way they want

B | Go off and do your own thing. Forget them if they don't want to try somewhere new

C | Try to split the group and take one of your friends with you

CALL 999/112

You have taken your younger sister rock pooling on holiday in an area you don't know very well.

SCENARIO 2

You have been so focused on what you're doing, you realise that your way back has been cut off by the tide and your sister cannot swim but you are a good swimmer. Do you...

SCENARIO 3

- 
- A** | Let go of your bodyboard and try to swim back to shore. Shouting and waving your arms as you do
- B** | Hold on to the board to keep you afloat, let the rip take you further out and then, when you can, swim parallel to the shore until free of the rip and then head for shore
- C** | Wave and scream to try to get the attention of a lifeguard
